ENHANCED SUPPORT AND PERFORMANCE.

CHAMBERFIRM™
Performance Pillows by Standard Textile

THE FEEL OF PREMIUM COMFORT

For those who want long-lasting firmness, Standard Textile has created the ChamberFirm™ pillow. The uniquely designed pillow is engineered with two distinct polyester chambers. The garneted polyester fill of the inner chamber provides effective and long-lasting support throughout the core. Dual outer chambers surround the inner core with soft and smooth gel fiber for enhanced relaxation. The result is a comfortable night's sleep with the support you need and the comfort you expect.

ENGINEERED TO PERFORM.

The washable ChamberFirm pillow provides long-lasting comfort at a cost-effective price. High-quality fiber filling, encased in 100% cotton T230 ticking fabric and double-needle stitching all around keeps the pillow performing wash after wash.
