BOX SPRING COVER

**STANDARD**  
TEXTILE est. 1940

## VERSATILE FIT

Encircle® box spring cover allows for easy covering of a box spring in a matter of minutes, and gives your bed a clean, modern look. With four-way stretch knitted fabric for a versatile fit, it allows for ample stretch and recovery both width and lengthwise. Encircle® accommodates various heights of box springs, ranging in heights from 5" up to 14", and allows for a 2" tolerance for length and width which ensures a smooth, snug fit on your box spring.

## INSTALLATION IN UNDER 5 MINUTES

The circular design and knitted fabric makes the wrap easy to apply within minutes, and by just one person. Encircle® box spring cover slides over the mattress with ease by covering the four sides of the box spring without lifting the mattress. No straps needed to adjust!

Wraps securely in place by the fabric's inherently fitted nature. Elastic around the bottom and top corners keeps the cover from popping off the box spring.

### STEP 1.

Use label to center product at foot of bed.

### STEP 2.

Align the elastic on each corner of the box spring.

### STEP 3.

Lift each corner of box spring to ensure product clears the frame.

### STEP 4.

Tuck fabric under mattress, then pull from below frame until fabric is even.

## EASY TO CLEAN AND LOW MAINTENANCE

Encircle® box spring cover decreases housekeeping work time and it increases efficiency. Quick and easy to put on, it can be conveniently removed for laundering, making Encircle® a great solution for eliminating germs and dirt. To remove, simply take the cover off the box spring by pulling it up and over the mattress, and toss Encircle® right into the laundry.
