CLINICAL PERFORMANCE UNDERPADS

**DermaTherapy®**

50% Polyester/50% Nylon Face; 80% Polyester/20% Rayon Soaker; WrapPel® Barrier; White with Black Carbon Stripe Lines

The technology in the patented and FDA-cleared DermaTherapy® underpad top surface is clinically proven to prevent the occurrence of pressure injuries by optimizing the microclimate. The ripstop polyester barrier backing of the DermaTherapy® underpad is smooth, liquid resistant, and air-permeable.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59750800	34x36	N/A	N/A	0.81
Underpad	59751800	34x45	N/A	Green Merrow Thread, 7.5 oz. Soaker	1.6
Underpad	59750900	38x50	N/A	Blue Merrow Thread, 7.5 oz. Soaker	1.31

**ComPly® MVP**

10.5 oz. Face Fabric; Blue WrapPel® Polyester Barrier; 60% Polyester/40% Cotton Face; 5 oz. 80% Polyester/20% Rayon Soaker

Feature a patented tri-component pile fabric that effectively manages moisture via capillary action, efficiently drawing and storing fluid beneath the skin contact surface. The unique ripstop polyester barrier backing is both liquid-resistant and air permeable, making these incontinence pads an ideal choice for use with specialty beds.

ENHANCED PERFORMANCE UNDERPADS

**Integrity® Plus**

Laminated; 65% Polyester/35% Cotton Composite Face/Soaker; Blue HD Vinyl Barrier

Integrity® Plus is available in a laminated unipad construction that extends service life, enhances durability, reduces mechanical damage, and folds more easily and efficiently.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59782100	33x36	24	White Face Fabric	1.370
Underpad	59784100	36x41	24	White Face Fabric	1.707

**Integrity®**

65% Polyester/35% Cotton Composite Face/Soaker; Blue HD Vinyl Barrier

With a composite face/soaker made of a rayon-enhanced nonwoven fabric and a barrier of premium-quality blue polyknit vinyl, Integrity® effectively contains fluids and is gentle on the skin.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59782000	33x36	24	White Face Fabric	1.370

**PerVal® Plus**

Laminated; Blue Warp Knit Polyester Face; 100% Polyester Face; Blue Vinyl Barrier 8 oz. 80% Polyester/20% Rayon Soaker

PerVal® Plus lies flatter for a more comfortable fit beneath the patient. Its laminated unipad construction extends service life, enhances durability, reduces mechanical damage, and folds more easily and efficiently.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59794100	36x41	N/A	White Face Fabric	1.896
Underpad	59792100	33x36	24	White Face Fabric	1.359

**PerVal®**

Blue Warp Knit Polyester Face; 100% Polyester Face; Blue Vinyl Barrier 8 oz. 80% Polyester/20% Rayon Soaker

The face of PerVal® is made of a textured warp-knit synthetic that disperses moisture more effectively than brushed-tricot underpads.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59792000	33x36	24	White Face Fabric	1.190

ENHANCED PERFORMANCE UNDERPADS

**EuroTech® Plus**

Aqua Brushed Polyester Face Fabric (160 gsm); 8 oz. 65% Polyester/35% Rayon Soaker; Blue PU Barrier; Merrowed with Blue Thread

The EuroTech® and EuroTech® Plus incontinence pads feature a 100% brushed polyester face fabric that is notable for both comfort and moisture-wicking performance.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59750200	33x36	N/A	Aqua Face Fabric	1.040

**EuroTech®**

Aqua Brushed Polyester Face Fabric (90 gsm); 7 oz. 80% Polyester/20% Rayon Soaker; Blue PU Barrier

The single-ply laminated construction of EuroTech® underpads eliminates differential shrinkage between component layers, enhances durability, and extends service life.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59740200	33x36	24	Aqua Face Fabric	0.794

**TruVal®**

Laminated, Mesh Polyester Face; 7 oz. CSM Soaker; Green Napped Barrier 100% Polyester

Unique fiber construction/structure dramatically enhances wicking performance and manages moisture more effectively.

Carnation Vinyl Barrier

With a composite face/soaker made of a rayon-enhanced nonwoven fabric and a barrier of premium-quality blue polyknit vinyl, Integrity® effectively contains fluids and is gentle on the skin.

DESCRIPTION	DATA#	SIZE	CS/PK	COLOR	WEIGHT/EA
Underpad	59755210	33x36	24	White Face Fabric	1.008

**Twill Print**

55% Cotton/45% Polyester Face; 8 oz. 80% Polyester/20% Rayon Soaker

Designed with patient dignity in mind. The cotton/polyester face fabric is adorned with an attractive print that complements many healthcare interiors and isn't immediately recognizable as an incontinence product.

# Healthcare Services

With over 80 patents and counting, we have a proven track record of providing cutting-edge innovations that improve comfort, durability, and safety. We partner closely with our customers and work with industry experts to fully solve the problems that healthcare facilities face every day.

# SurgiTex™

SURGICAL TEXTILE SOLUTIONS

SurgiTex® Consultative Services help you realize the maximum benefits from our reusable surgical products. Our team of experts and clinicians will analyze every aspect of your surgical pack processing, and develop a customized plan that improves quality, lowers cost, increases efficiency, and reduces waste.

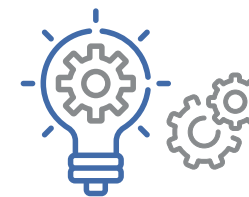

We can provide engineering, clinical training, quality assurance, and technical service support. Hospitals that have taken advantage of our SurgiTex® system have realized significant savings.

## The Three Phases of the SurgiTex® System

### Phase 01 Data Collection and Planning

- |                        |  |
|------------------------|--|
| 1. On-site Evaluation  | 4. On-site Product Trial for End-users |
| 2. Clinical Interviews | 5. Trial Review                        |
| 3. Cost Analysis       | 6. Partnership Agreement               |

### Phase 02 Implementation

- |                                 |                        |
|---------------------------------|------------------------|
| 1. Create a SurgiTex™ Committee | 3. Engineering Support |
| 2. Hospital Staff Training      | 4. Clinical Support    |

### Phase 03 Quality Monitoring Program (QMP)

- |                             |                               |
|-----------------------------|-------------------------------|
| 1. Quarterly Review         | 4. Cost Reduction Suggestions |
| 2. Written Report           | 5. Quality Improvement Ideas  |
| 3. Quantitative Conclusions |                               |

## A PRODUCTIVE PARTNERSHIP.

Working together to reduce linen system costs.

### Total Facility Assessment

Standard Textile will complete a comprehensive audit of your linen system. Based on interviews, observations, and surveys of the staff, our Textile Management Consultants will develop and assist in implementing action plans to maximize efficiency.

### Linen Awareness Days/Education

We provide visual displays, promotional items, trivia contests, and video to create enthusiasm and advertise your Linen Awareness Days.

### Floor Utilization Audits

Our Textile Management Consultants will perform audits of individual units, focusing on service and quality levels, excess linen in rooms, discards, handling of isolation linen, loss through transfers, bed change policy, and cart levels.

### Inventory

We help coordinate an inventory procedure, and assist in planning the entire process, from the organization of counting teams to facilitating the inventory process on the day of the count.

### Departmental Surveys

Standard Textile provides a 20-question survey that deals with linen use and abuse, quality of service and product, linen awareness, and other linen issues.

### ServQual Survey

We recommend this 18-question survey that measures the quality of service provided by the linen department. It allows the customers of linen services to report on their perceptions and expectations of the linen department.

### Reusable Maximization Analysis

We provide a clear and concise report that demonstrates the potential savings achieved by converting from a disposable item to a reusable item, focusing on cost per use.

### Linen Security Audit

We observe second- and third-shift linen practices and protocols. This includes after-hours observations by our Textile Management Consultants to identify areas for potential theft and unauthorized linen removal.

### Linen Committee

Our Textile Management Consultants can facilitate and/or mediate a Linen Committee. We supply sample policies dealing with transfers, bed changes, emergency squads, and more.

### Unit Budget Responsibility

We will help your financial department gain access to all information necessary to begin charging the units for linen/laundry services. Textile Management Consultants can provide assistance with reports and step-by-step action plans.

### Progress Reporting

Textile Management Consultants report to the facility administration on key measures in regard to usage, poundage, costs, replacement, and par levels.

### TexKnowlogy<sup>SM</sup> University

Standard Textile's TexKnowlogy<sup>SM</sup> website provides interactive linen education and training for your staff.
