

CIRCA[®]

— bed wrap —

STYLISH. SIMPLE. SLEEK.

EFFORTLESSLY CREATE A CLEAN, MODERN LOOK IN MINUTES

Circa® Bed Wrap's patented design allows you to create a clean, simple, and modern look for your bed in a matter of minutes. Achieve the look of a platform bed at a fraction of the cost.

Traditional bed skirts can be messy, chaotic, and difficult to install. The Circa® Bed Wrap is a simple, innovative solution that can be installed by one person with no heavy lifting required. Requires no laundering and minimal maintenance after an easy installation process.

The Circa® Bed Wrap works best with traditional metal bed frames and wall mounted headboards; however, custom options are available.

ONE-PIECE DESIGN

The sleek, one-piece design is constructed of sturdy and sustainable bamboo that effortlessly holds its shape for a stylish, tailored fit around most box springs or bed frames. Rich, durable fabric provides the finishing touch. The Circa® Bed Wrap can be installed by one person with these four easy steps:

1 | Unroll and wrap around sides and foot of bed.

2 | Buckle straps at the head of bed.

3 | Buckle corner straps at the foot of bed.

4 | Fold corner fabric to achieve a finished look.
