Centium Core Technology®

Centium Core Technology® is a patented weaving technology that dramatically improves product tensile strength, extends service life, and enhances performance.

Room Ready For You® laundered with

Room Ready For You® laundered with **Tide®** products are delivered clean, fresh, and ready to use right out of the box, bypassing the time, labor, and costs of up-front processing.

OneSTEP®

OneSTEP® products provide both the laundry and housekeeping professional with One Solution To Enhance Productivity. EZ ID® size identification makes sorting a snap, while balanced hems and center lock labels allow for simplified bed make-up.

PERFORMANCE WITH A GENTLE HAND.

SMOOTH DURABILITY

ComforTwill® sheeting offers sturdy Centium Core Technology® and single-pick construction in a 70% Cotton/30% Centium microfilament polyester blend. The difference is in the feel. An extra-smooth premium hand is due to the superior and patented engineering of Standard Textile sheeting. Multilayer fast selvages bind the sides. Deep corners hold snugly to any contour. Choose from solid, tone-on-tone stripe, or the distinctive visual texture of microcheck. ComforTwill® tone-on-tone stripe sheeting is available in bleached or bone.

LOW COST-PER-USE

ComforTwill® sheeting's durable construction stands up to industrial laundering, eliminating the need for frequent replacement. Center-lock labels, balanced hems, and a crease-resistant finish increase housekeeping efficiency. Plus, your ComforTwill® sheeting arrives Room Ready For You® laundered with Tide® and ready to use with no up-front processing costs. All these savings lower cost-per-use, making ComforTwill® valuable performance sheeting.
