SUPERIOR SENSIBILITY AND A TOUCH OF CLASS.

AVILA®
Performance Table Linen by Standard Textile

STERLING PERFORMANCE

A flawless fusion of high-tech engineering and high-style sensibility, Avila® napery provides an extraordinary combination of practical advantages—softness and absorbency, superior stain release, colorfastness, and durability.

ENGINEERED ELEGANCE ENGINEERED PERFORMANCE

Avila® napery is equally impressive in the laundry, offering superior stain release, colorfastness, and durability, keeping Avila® performing consistently and cost-effectively, wash after wash. 100% polyester spun filament resists stains like no other fabric, and it offers the softness and absorbency of premium cotton with less weight. All Avila® hems are lock-stitched, so that a single broken stitch does not start a chain reaction. Avila® round tablecloths are merrowed to prevent fraying.
