ENHANCED SUPPORT AND PERFORMANCE.

CHAMBERFIRM®
Performance Pillows by Standard Textile

THE FEEL OF PREMIUM COMFORT

ChamberFirm® pillows are designed for long-lasting firmness. This pillow is engineered with three chambers to help maintain structure over time. The polyester fill of the center chamber provides support throughout the core. Outer chambers surround the inner core with smooth gel fiber for an enhanced experience. The result is a comfortable night's rest with the support guests need and the comfort they expect.

ENGINEERED TO PERFORM

The washable ChamberFirm® pillow provides long-lasting comfort at a cost-effective price. High quality fiber filling, encased in 100% cotton ticking fabric and double-needle stitching, keeps the pillow performing, wash after wash. ChamberFirm® pillows feature Standard Textile's EZ ID® identification system. Color-coded labels help housekeeping and laundry professionals easily identify pillow types.

For more information about ChamberFirm® pillows, or to contact a dedicated hospitality consultant, visit standardtextile.com or call 1.800.323.5246.
