

COMPLY[®] MVP

COMPLY[®] MVP
Incontinence Products by Standard Textile

Superior comfort and breathability.

THE ULTIMATE IN SKIN PROTECTION.

ComPly® MVP underpads feature a patented tri-component pile fabric that effectively manages moisture via capillary action, efficiently drawing and storing fluid beneath the skin contact surface.

The top surface is comfortable, quick-drying, and reduces shear and friction, enhancing patient care. The unique ripstop polyester barrier backing is both liquid-resistant and air-permeable, making this underpad an ideal choice for use with specialty beds.

10.5 oz/square yard
face fabric

30" x 36"
