

INSULITE®

INSULITE®
Healthcare Blankets by Standard Textile

STANDARD
TEXTILE est. 1940

Warmth without weight.

BUILT TO LAST.

A patented exclusive of Standard Textile, Insulite® delivers a CLO value of .875—higher than most heavier blankets on the market today. This envelops your patients in warmth without weighing them down. The tufted terry construction minimizes snagging and mechanical damage, while fast selvage sides and hemmed ends help extend service life.

A WEALTH OF OPTIONS

Insulite® is available in an all-cotton (66" wide) or cotton/polyester blend (72" wide) fabric. You can choose natural, bleached, or vat-dyed. All Insulite spreads and blankets are available namecrested with a center crest/logo.

AVAILABLE COLORS.

Cobalt, Natural, Teal, White

100% Cotton or
86/14 Cotton/Polyester
