GEMSTONE
Healthcare Blankets by Standard Textile

STANDARD
TEXTILE est. 1940

Heavy, warm, designed to perform.

DESIGNED FOR COMFORT AND PERFORMANCE.

Our Gemstone Spread Blanket is made from a substantial fabric, giving it a heavier weight than most generic options. It features a woven diamond pattern for stunning style and double hems on all four sides for added durability.

The Gemstone Spread Blanket is woven in a decorative diamond pattern that will complement any healthcare interior, and provide comfort, warmth, and performance. It consists of 50:50 Cotton/Polyester (75" wide) and weighs 3 lbs. The Spread is available bleached or vat-dyed and provides enhanced durability and colorfastness for industrial laundering.
