**MICROSTRIPE**  
Performance Top Cover by Standard Textile

**TOP PERFORMANCE  
TO MATCH YOUR SENSE  
OF STYLE.**

### **ENGINEERED FOR LONG LIFE**

The Microstripe Top Cover's extra-smooth hand is due to the superior and patented engineering of Standard Textile sheeting. While the 2-inch top and bottom hems with Center-Lock Labels increase housekeeping efficiency, the subtle stripes and distinctive visual texture enhance the guest experience by creating a crisp white and inviting bed.

**Centium Core Technology®** is a patented weaving technology that dramatically improves product tensile strength, extends service life, and enhances performance.
