

GEOMETRIC DUAL TONE

GEOMETRIC DUAL TONE
Performance Robes by Standard Textile

A PATTERN OF AFFORDABILITY.

INCREDIBLY SOFT

Incredibly soft and lofty, the robe's signature look and feel is thanks to warp-knit, 100% polyester high-pile fabric. Stylish touches such as a shawl collar and deep front pockets.

MAKES AN IMPRESSION

Warp-knit, 100% polyester high-pile fabric holds onto its loft longer, sheds stains, and stays soft through constant laundering. The geometric design makes an impression on your guests, and the savings make an impression on your budget.
