#### **WARMTH AND COMFORT ALL YEAR LONG.**

The AirLux blanket is designed to keep your guests comfortable no matter what time of year. Lightweight and durable, this all-weather blanket brings the perfect comfort level all year long, with quality that lasts season after season.

#### **HIGHER DURABILITY. LOWER COSTS.**

Standard Textile's engineers created a quality blanket with durability and performance that lasts wash after wash. Its blended cotton/polyester ticking and soft, 100% recycled polyester fill combine comfort with resilience. The seven-inch box quilt design resists clumping while adding visual appeal, and the double needle stitching stands up to frequent laundering.

**EZ ID®**

**EZ ID®** is StandardTextile's patented size-identification for housekeeping. Color-coded loops on all four corners make the size easy to identify without altering the luxurious appearance the designer intended.
