OPTIMAL PERFORMANCE

ChamberLoft® pillows are designed for performance. Two outer chambers of slick polyester surround an inner chamber of sterilized natural feathers, providing support and the comfortable feel of down.

ENGINEERED FOR DURABILITY

The washable ChamberLoft® pillow provides long-lasting comfort at a cost-effective price. High quality fiber filling keeps pillows fluffy, wash after wash. 100% cotton ticking fabric and double-needle stitching helps pillows retain their shape. ChamberLoft® pillows feature Standard Textile's EZ ID® identification system. Color-coded labels help housekeeping and laundry professionals easily identify pillow types.
