TIMELESS ELEGANCE. SUPERB CRAFTSMANSHIP.

PURE COTTON THE TRADITION CONTINUES

Tradition endures. The classics endure. And a reputation for five-star hospitality endures. For more than seventy years, many of the most distinguished hotels in Europe and the Americas have relied on Standard Textile to design the most luxurious quality all-cotton sheeting to meet—and exceed—their guests' highest expectations.

OVER SEVENTY YEARS OF UNCOMPROMISING QUALITY

Standard Textile's 100% cotton sheeting has a three-hundred thread count weave, with the added smoothness and comfort—and longer term value—that comes from distinctive single-pick construction. The fabric is ultra-premium: 100% combed, long-staple and ring-spun cotton, with a tone-on-tone stripe on sheets whitened to brilliance, for the look and feel of five-star elegance.
