CLASSIC DOBBY

All-cotton comfort at an affordable price. Our Classic Dobby offers the rich feel and performance of 100% ring-spun cotton, accented with stylish dobbie borders.

VALUE ENGINEERED INTO EVERY TOWEL

Standard Textile's entire Classic line uses 100% long-staple ring-spun cotton, adding considerable strength over open-end yarn construction. Fast selvages secure the fabric, preventing detached hems and fraying. The result is Classic terry that stands up to industrial laundering. Plus, Standard Textile's Classic terry arrives pre-laundered, ready to use right out of the box, eliminating up-front processing costs. Classic terry delivers all of these cost savings at a budget price. That's Value Engineering!

Room Ready For You® laundered with Tide®

Room Ready For You® laundered with Tide® products are delivered clean, fresh, and ready to use right out of the box, bypassing the time, labor, and costs of up-front processing.

OneSTEP®

OneSTEP® products provide both the laundry and housekeeping professional with One Solution To Enhance Productivity. EZ ID® size identification, braided selvages, dimensionally stabilized dobbie borders, and wash towels that last longer than traditional washcloths.
