

*VersaValet*TM

GARMENT & LAUNDRY BAG

STANDARD
TEXTILE est. 1940

Support your property's sustainability goals with the reusable VersaValet™.

This hybrid bag serves the functions of both a garment bag and a laundry bag and eliminates the need for single-use plastic laundry and dry-cleaning bags in your guest rooms.

Made from 100% recycled polyester, the VersaValet™ features an antimicrobial finish for added protection and peace of mind.

The Life Cycle of *VersaValet*™

2
Guest fills laundry bag with dirty garments.

4
Transforms to garment bag and returned to a hanger.
