

COMPEL® MLR SURGICAL GOWN

COMPEL® MLR
Surgical Gown by Standard Textile

Resists liquids.
Resists fading.

THE INDUSTRY STANDARD.

ComPel® MLR surgical gowns represent the industry standard in liquid-resistant protection. ComPel® MLR surgical gowns are the only solution-dyed surgical gowns on the market, ensuring superior colorfastness through repeated processing. ComPel® MLR gowns are available with Standard Textile’s patented circumferentially offset sleeve, and meet AAMI PB70 Level 3 Barrier standards.

FEATURES

- AAMI PB70 Level 3 barrier.
- 100% synthetic with ESD (electro-static dissipative) yarns on the inner ply and breathable Comfort Panel back.
- 2-ply front and sleeves.
- Triple color coding (neck, cuff, waist) and white inner ply simplify processing and sorting.
- Available with circumferentially offset sleeves.
- Snap or tie closure at neck, tape tie closure at waist.
- Available in multiple sizes.
