SOFTWEAVE®  
Healthcare Apparel by Standard Textile

**STANDARD**  
TEXTILE est. 1940

# Superior opacity and comfort at a cost-effective price.

Our unique Softweave® fabric is a favorite with staff due to its exceptional opacity. The 55/45 cotton/polyester blend is made with ring-spun yarns that are softer than poplin and more densely woven than T-180. The scrubs are generously proportioned to further enhance comfort and reinforced at all stress points to extend durability. Vat-dyed color and a crease-resistant finish help ensure that you present your best image at all times.

### UNISEX V-NECK SCRUB SHIRT AP8305

This reversible shirt features a placket V-neck and set-in sleeves. The shirt has a 6" x 6" mitered left chest pocket on both sides. Like all Softweave® scrub shirts, it features a hemmed sweep and double-needle construction. Color-coded size identification binding is sewn along the back of the neckline.

### UNISEX V-NECK SCRUB SHIRT WITH LOWER POCKET AP8308

All the features of the V-neck scrub with the addition of a lower pocket that allows the shirt to double as a tunic for women. The 7" x 7" lower right patch pocket has scissor tape on both sides. Color-coded size identification binding is sewn along the back of the neckline. Available in six sizes, from S to 3XL.

### CRISS-CROSS UNISEX SCRUB SHIRT AP8335

A criss-cross neckline with yoke front distinguishes this Softweave® scrub shirt. The neckline is expandable for easy removal, and the shirt is fully reversible. The shirt includes a 6" x 6" mitered left chest pocket on both sides, and a 7" x 7" lower right patch pocket with scissor tape on both sides. Color-coded size identification binding is sewn along the back of the neckline. Available in six sizes, from S to 3XL.

### WOMEN'S COMFORTCUT PANT AP6351

Generously proportioned through the hips and thighs, this Softweave pant offers a tapered leg for a modern cut. Elastic in the waist is sewn flat to eliminate uncomfortable rolling, and a color-coded twill tab is sewn into the back of the waist for easy size identification. Available in six sizes, from S to 3XL.

### UNISEX WARM-UP JACKET AP8350

This Softweave® jacket offers long set-in sleeves, color-coordinated stockinette knit cuffs, and a front opening with five floating-ring stainless steel metal snaps. The rounded neckline is adorned with self-binding. There is a 7" x 7" patch pocket at waist level on both the right and left sides; the right pocket has scissor tape. Available in six sizes, from S to 3XL.

### WOMEN'S MULTI-STITCH WARM-UP JACKET AP6360

The front opening of this jacket is enhanced with decorative multi-stitched trim and six sets of floating-ring stainless steel metal snaps. This same decorative trim appears on two lower patch pockets, both reinforced to withstand daily wear and tear. The right pocket is equipped with scissor tape. Comfortable stockinette knit cuffs wear well and withstand laundry processing. Available in six sizes, from S to 3XL.
