## Breathable comfort in diverse styles.

The heavyweight 65% Polyester/35% Cotton poplin blend increases durability and features ring-spun yarns for comfortable softness. Vat-dyed color, reinforced stress points, and a crease-resistant finish extend product life and help you maintain a consistently professional image.

### UNISEX V-NECK SCRUB SHIRT AP8105

This fully reversible shirt is distinguished by a placket V-neck, set-in sleeves and a hemmed bottom. Both sides feature a 6" x 6" mitered left chest pocket. Color-coded size identification binding is sewn along the back of the neckline. Available in six sizes, from S to 3XL.

### A-LINE COLOR CODED PREMIUM FIT POPLIN SCRUB SHIRTS AP8105A

Our largest cut of Poplin shirt, this completely reversible scrub top offers a placket V-neck, set-in sleeves and a hemmed sweep. A 6" x 6" mitered pocket is located on the left chest of both sides. Color-coded size identification binding is sewn around the neckline. Available in nine sizes, from XS to 5XL.

### UNISEX SCRUB PANTS AP8115

Completely reversible pants offer a drawstring waist and a 7" x 7" mitered rear hip pocket on both sides. The polyester web belt has heat-sealed ends to eliminate fraying and bartack at the back of the waist to prevent detachment. The belt is color-coded for size identification. Available in six sizes, from S to 3XL.

### A-LINE COLOR CODED PREMIUM FIT POPLIN SCRUB PANTS AP8115A

All the features of the Unisex Scrub Pant in a larger cut for roomier comfort. Available in nine sizes, from XS to 5XL.

### UNISEX WARM UP JACKET AP8150

This comfortable jacket features long set-in sleeves, color-coordinated stockinette knit cuffs and a rounded neckline with self binding. The front opening is lined with five floating-ring stainless steel metal snaps. Two 7" x 7" patch pockets embellish the jacket front; the right pocket features scissor tape. Available in six sizes, from S to 3XL.
