Safety. Simplified.

EASYRELEASE® ISOLATION GOWN
Healthcare Apparel by Standard Textile

STANDARD
TEXTILE est. 1940

Unique protection, designed for healthcare workers' **comfort and safety.**

ENGINEERED FOR PROTECTION AND COMFORT.

Tasked with caring for patients while safeguarding against occupational exposure, EasyRelease® offers unique protection and comfort, including:

Fast, pull-forward doffing.

Multifilament, woven polyester fabric repels fluids and reliably protects.

A patent-pending proprietary specification hook and loop closure at neck and waist, reducing potential for contamination in donning and doffing.

Patented cuff and shield design for under-cuff protection.

REDUCED ENVIRONMENTAL IMPACT AND INCREASED COST SAVINGS.

Reusable EasyRelease® isolation gowns offer significant potential cost savings, in addition to user reports of better comfort and higher levels of satisfaction.

EasyRelease® offers clear environmental benefits compared to disposable products, including reduced medical waste in landfills and reduced cost for waste disposal.
