

A photograph of a bed with a white zippered mattress encasement and two white pillows. The bed is set against a light-colored, tufted headboard. To the left, a wooden nightstand holds a lamp with a beige shade. The mattress encasement has a visible zipper along the bottom edge, and a small portion of the top is unzipped and folded back on the left side. The Allerease logo is visible on the right pillow.

EASY
INSTALLATION

Mattresses collect lots of dust mite debris, allergens, and other dirt particles over their lifetime. Removing this debris isn't easy, but preventing the accumulation is easier than you might think. Protect your mattresses and your guests with AllerEase® Professional from Standard Textile.

Your guests will sleep easy and comfortably, protected from bed bugs, dust mites, and other allergens. These protective barriers are anti-microbial, waterproof, and incredibly easy to install and remove for cleaning.

Offering superior 6-sided mattress protection
with 2 zip-off top options:
