ONE STEP®

OneSTEP® products provide both the laundry and housekeeping professional with One Solution To Enhance Productivity. EZ ID® size identification makes sorting a snap, while balanced hems and center lock labels allow for simplified bed make-up.

EXCEPTIONAL TEXTURE, LASTING DURABILITY.

ANYTHING BUT ORDINARY

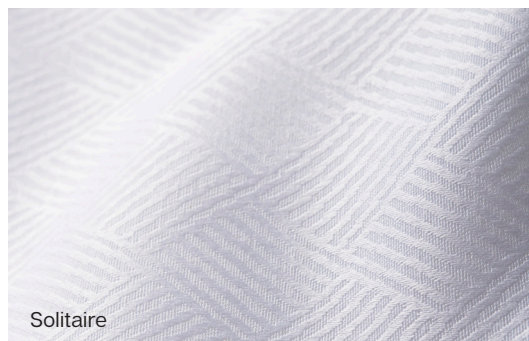

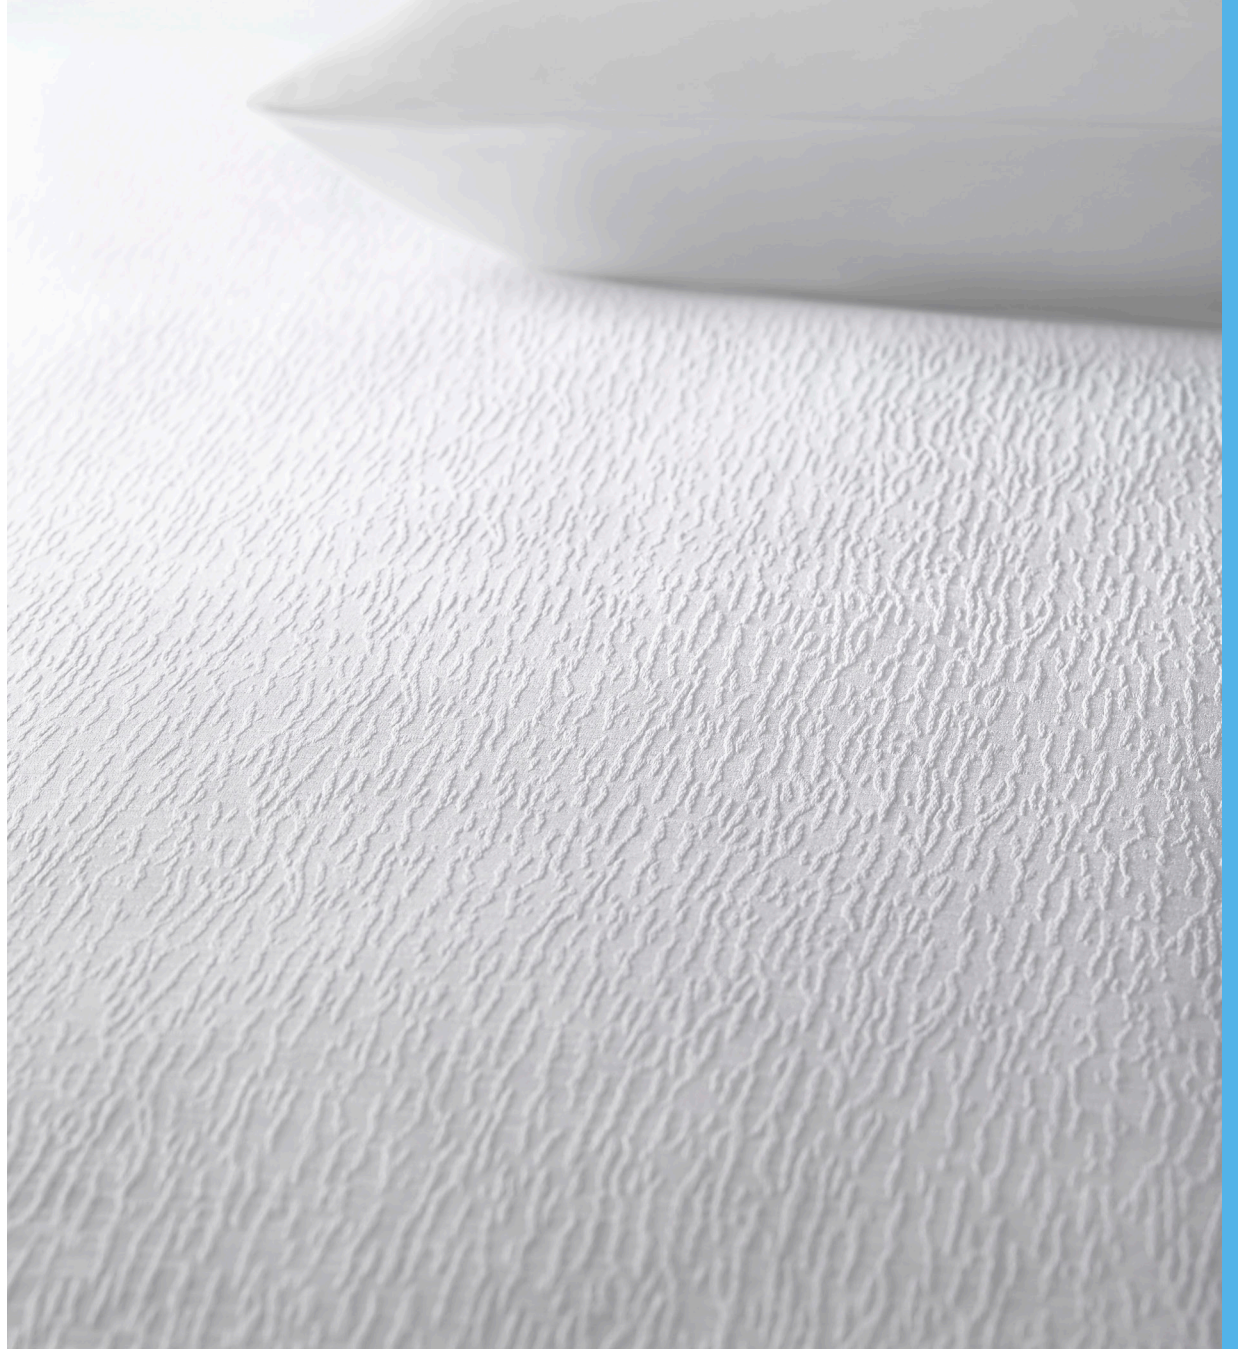

Impressions top covers were built to stand out in a crowd of plain, solid white fabrics. Whether you choose the bold asymmetry of Crackle or the geometric elegance of Solitaire, you're sure to create a unique top of bed experience that leaves a lasting impression.

LOW MAINTENANCE DURABILITY

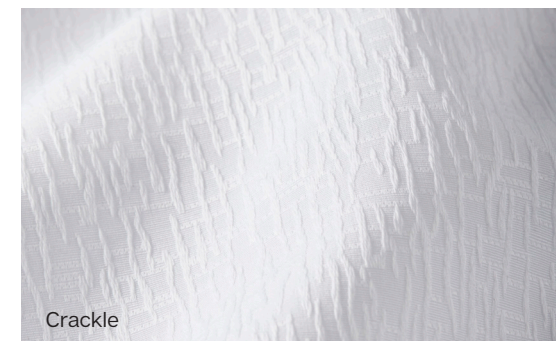

No need to iron thanks to Impressions' 90% Polyester/10% Cotton blend. Ultra-strong polyester yarns give these stylish top covers incredible wrinkle resistance and durability. Impressions top covers stand up to the rigors of industrial laundering while eliminating the need to iron.

Premium cotton provides a luxuriously soft hand your guests will appreciate. Plus, center lock labels and balanced hems offer even more back-of-house efficiency your staff will appreciate. Discover the ultimate in durability, elegance, and convenience with Impressions top covers.
