Centium Core Technology®

Centium Core Technology® is a patented weaving technology that dramatically improves product tensile strength, extends service life, and enhances performance.

Not applicable to Paragon Cotton fabric.

OneSTEP®

OneSTEP® products provide both the laundry and housekeeping professional with One Solution To Enhance Productivity. EZ ID® size identification makes sorting a snap, while center lock labels allow for simplified bed make-up.

CLASSICALLY STYLED FOR COMFORT AND CONVENIENCE.

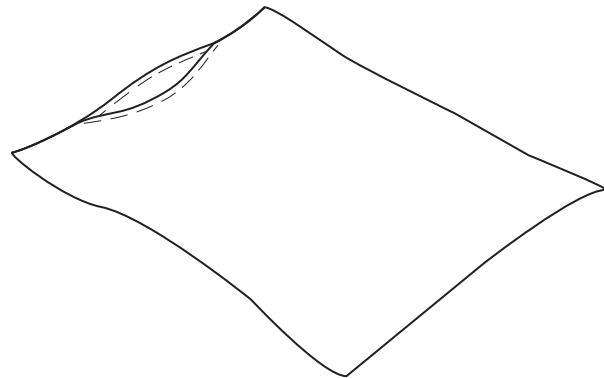

EFFICIENCY IS CRUCIAL TO YOUR SUCCESS

That's why there's the classic Center Opening Duvet Cover.

With a bar tacked opening at one end and secure 9" hand holes at the other, this classic duvet cover will allow for efficient bed making while maintaining a crisp, clean look.

- Secure twill ties in all 4 corners.
- Cumulus® pattern does not require ironing.

Choosing the luxury of duvets doesn't have to be a drain on resources. Discover the future of duvet covers with our innovative Center Opening style.
