## THE PERFECT COMPLEMENT.

### **SAME LUXURIOUS STYLE NOW WITH ADDED SAFETY**

No detail can be overlooked. Least of all, guest safety. That's why there's the Artesano Non-Slip rug.

Just like the original Artesano rug, we use only 100% high-quality cotton, bold textures and loop stitching to create an alluringly beautiful and plush experience.

The difference is in the premium, silicone non-slip backing. This feature helps ensure a firm, yet comfortable footing that is engineered to last, wash after wash.
