

BEHAVIORAL HEALTH APPAREL COLLECTION

BEHAVIORAL HEALTH COLLECTION
Healthcare Apparel by Standard Textile

Thoughtfully designed to fit your needs.

The 55/45 cotton/polyester blend combines patient comfort and durability with ring-spun Champion Cloth fabric for a smooth hand. Featuring metal snap closures and hemmed necklines to eliminate binding and ties. The Vat-dyed Plum color sets this collection apart while still providing a calming feel. Color-coded tabs allow for easy size identification and sorting. Available in sizes Petite, Small/Medium, Large/XL, 2XL/3XL, 5XL, and 10XL.

PAJAMA SHIRT

Metal snap closures down the front ensure proper fit. The hemmed neckline eliminates the need for binding. Color-coded tab simplifies size identification and sorting.

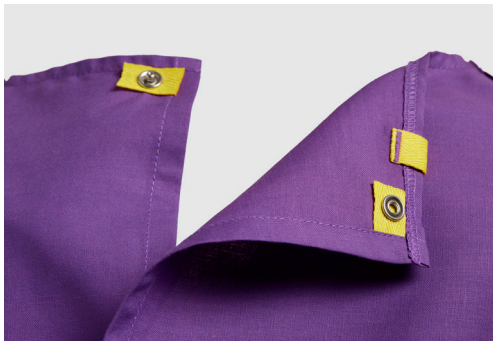

PAJAMA PANT

Metal snap closures at the waist ensure proper fit. 4" elastic strips and snaps at the waistband eliminate the need for ties. Color-coded tab simplifies size identification and sorting.

PATIENT GOWN

The hemmed neckline eliminates the need for binding. Metal snap closures at neck, waist, and sleeves ensure proper fit and eliminate the need for ties. Color-coded tab simplifies size identification and sorting.

Color-coded tab simplifies size identification and sorting.
Light Blue - Petite | Yellow - Small/Medium | White - Large/XL | Royal Blue - 2XL/3XL | Red - 5XL | Green - 10XL
