Centium Core Technology®

Centium Core Technology® is a patented weaving technology that dramatically improves product tensile strength, extends service life, and enhances performance.

OneSTEP®

OneSTEP® products provide both the laundry and housekeeping professional with One Solution To Enhance Productivity. EZ ID® size identification makes sorting a snap, while balanced hems and center lock labels allow for simplified bed make-up.

TIMELESS ELEGANCE MEETS STRENGTH AND DURABILITY.

A SUBTLE TOUCH OF SOPHISTICATION

Centium Satin™ has long been revered by luxury hoteliers and guests the world over. This sought-after sheeting collection is now available with iconic white-on-white festooning.

Every stitch is meticulously crafted to bring a subtle touch of sophistication to your duvet covers, flat sheets, and shams or pillowcases.

FAMILIAR COMFORT, BUILT TO LAST

Centium Satin™ Festoon Collection maintains the same great features you know and love:

- Premium, long-staple, ring-spun cotton.
- Centium Core Technology® embeds a hidden core of strength and durability.
- Proprietary microemulsion finish ensures an exquisite feel from beginning to end.
