SPICE COLLECTION

BEHAVIORAL HEALTH APPAREL  
Healthcare Apparel by Standard Textile

# Thoughtfully designed to fit your needs.

The 55/45 cotton/polyester blend combines patient comfort and durability with ring-spun Champion Cloth fabric for a smooth hand. Featuring plastic snap closures and hemmed necklines to eliminate binding and ties. The Vat-dyed Spice color sets this collection apart while still providing a comforting feel. Color-coded tabs allow for easy size identification and sorting. Available in sizes Small/Medium, Large/XL, and 2XL/3XL.

## PAJAMA SHIRT

The hemmed neckline eliminates the need for binding. Color-coded tab simplifies size identification and sorting.

## PAJAMA PANT

Plastic snap closures at the waist help ensure proper fit. 4" elastic strips and snaps at the waistband eliminate the need for ties. Color-coded tab simplifies size identification and sorting.

## PATIENT GOWN

The hemmed neckline eliminates the need for binding. Plastic snap closures at neck, waist, and sleeves help ensure proper fit and eliminate the need for ties. Color-coded tab simplifies size identification and sorting.

Color-coded tab simplifies size identification and sorting.  
Yellow - Small/Medium | White - Large/XL | Royal Blue - 2XL/3XL
